Subject: WHEDA board appointment

Dear Senator Lassa:

I am writing this letter to confirm my interest in being reappointed to the WHEDA board for another term.

I bring to the WHEDA board 29 years of experience in the real estate industry as a real estate agent, fee appraiser, broker and company owner. I know first hand, through my real estate experiences, what a vital role WHEDA plays in stimulating affordable housing, economic development, small business and agricultural well being.

I have enjoyed serving on the WHEDA board since 2000, and have been especially active on the Directors Loan Committee. I currently chair the Committee, perhaps our most active standing committee. For 6 of my 7 years on the Board, I have also reviewed the Dividends grant applications, which continues to poignantly emphasize the heavy need for funds that face many non-profit organizations across the State.

I have been most impressed with the high quality of the WHEDA staff and their sincere efforts to strike a balance between mission and operating profitably. We have attempted to stay on the cutting edge of home loan products by identify gaps in Wisconsin's homeownership and addressing the needs, whether they be in urban or rural setting throughout the entire State.

WHEDA is also doing good work in preserving our at-risk older multi-family housing stock, as well as providing financing for new develop where market gaps exist for both elderly and low-income citizens.

Increasing Wisconsin's homeownership rates in an effort to improve living standards and create household wealth continue to my personal goal for WHEDA.

Should you have any questions or need further clarification, please don' hesitate to contact me. Thank you for the opportunity to serve.
